THE BERGARA ACADEMY

Several years ago, our company was able to acquire an incredible piece of property in Belt, Montana with 22,000 private acres. Located just outside of Great Falls, we've been able to put our rifles, as well as, ourselves through all the rigors that the Big Sky Country affords. We are now inviting select groups to share in our little piece of paradise. We are calling it "The Bergara Academy."

Here, in a high-altitude shooting environment unlike any other, we'll put you through intense training sessions that will elevate your long-range shooting skills. All courses and events are taught by professional instructors, with detailed and hands-on instructional applications specifically tailored to the desires of the group. You'll train on a number of world-class ranges with animal silhouette targets woven into the natural environment at ranges over 1,200 yards.

Packages can also be further customized to include any number of other exciting activities, including prairie dog shoots on private grounds, world-class trout fishing, and more.

Over 50 targets ranging from 100 to 1500 yards!

Accommodations will be provided by our very own Belt Mountain Lodge. All packages also include the use of Bergara rifles, ammo, meals and on-site lodging.
